MEMO ENDORSED

RE: AMS Group LLC v JP Morgan Chase, N.A.
07 Civ 6988 (LTS)
Request for 3 days extension to file
Supplemental Opposition papers

Dear Judge Swain:

My preparation of the supplemental papers in opposition to defendant's Motion to Dismiss has been disrupted by an emergency. I represent an individual in a serious criminal matter; People of the State of New York vs Donnell Hilton, Felony docket #20080N034468. There was a night arraignment on Wednesday June 25, then a subsequent arraignment (as a result of Grand Jury Action) on Friday June 27, 2008. I usually conduct my document preparations in the evening.

This has delayed preparation of the above referenced supplemental papers and I request an extension of three or four days to file the papers.

Thank you.

Robert H. Parker, Esq. (RP-1682)
